2ND EDITION

Celebrating THE ARCHITECTS OF INDIA'S ENERGY FUTURE

ENER IDER
FUTURE
LEADERS
AWARD
SHOW
2nd EDITION

Enersider's Future Energy Leaders Awards Show (FELAS) is back for its second edition – Bigger, Sharper, and more Influential than ever. Following the phenomenal success of its inaugural edition, FELAS has emerged as a premier platform celebrating excellence across 10 sectors of the energy ecosystem. It honours the pioneers redefining industries through leadership, innovation, technology, and impact. Bringing together the sector's most powerful minds and boldest changemakers, FELAS is a celebration of ambition, innovation, and the visionaries shaping tomorrow's energy landscape.

WINNERS 1ST EDITION

JUDGING *Criteria*

INNOVATION & TECHNICAL EXCELLENCE

Evaluation of breakthrough ideas, advanced technologies, unique solutions, or pioneering approaches demonstrated in the project, company, or leadership profile.

IMPACT & MEASURABLE OUTCOMES

Degree of tangible contribution to sectoral progress—performance improvements, emissions reduction, efficiency gains, cost optimisation, or market influence.

LEADERSHIP & STRATEGIC VISION

Strength of long-term direction, decision-making, organisational influence, and ability to guide teams or initiatives in shaping the energy landscape.

SCALABILITY & REPLICABILITY

Potential of the initiative, project, or technology to scale, be adopted widely, or drive broader industry transformation.

SUSTAINABILITY & ALIGNMENT WITH NATIONAL PRIORITIES

Contribution to India's clean energy goals, including decarbonisation, energy security, resilience, and alignment with emerging policy directions.

OPERATIONAL EXCELLENCE & GOVERNANCE

Quality of execution, project management, efficiency, compliance, safety, and overall governance standards.
